GUAM**

Dear Members of the ABC Board,

On behalf of the Electric Island Festival (EIF), I would like to reaffirm our commitment to hosting a safe, enjoyable, and responsibly managed event for the community of Guam. As we enter our 12th year, EIF continues to grow as a premier festival on the island, with a strong track record in organizing large-scale events and maintaining a high standard of safety and professionalism.

We fully understand and share the Board's priority of ensuring public safety. To that end, we have implemented comprehensive measures to support a secure environment for all attendees. These include on-site EMTs, certified bartenders, stringent ID checks, and enhanced security protocols to prevent underage drinking and manage crowd behavior. In addition to these established safety practices, we are prepared to meet any further requirements or guidelines recommended by the Board to ensure the success and compliance of this year's event.

Enclosed in this application packet, you will find the following documents for your review:

- A list of certified bartenders, all holding current ABC credentials
- A detailed map of the bar station layout, including wristband samples for age verification
- A layout of the bar and entrance areas
- A full venue map highlighting access and service points
- The official 2025 Electric Island Festival flyer
-

These materials reflect the thoughtful planning and dedication we've invested to support safe alcohol service and uphold the values of responsibility and community care.

EIF maintains a zero-tolerance policy for misconduct and encourages guests to report any concerns directly to our trained security personnel. The safety and well-being of our attendees remain our top priority.

We are grateful for the opportunity to once again bring this celebrated event to Guam and look forward to working closely with the Board to ensure a successful and compliant festival. Thank you for your time and consideration.

Sincerely,

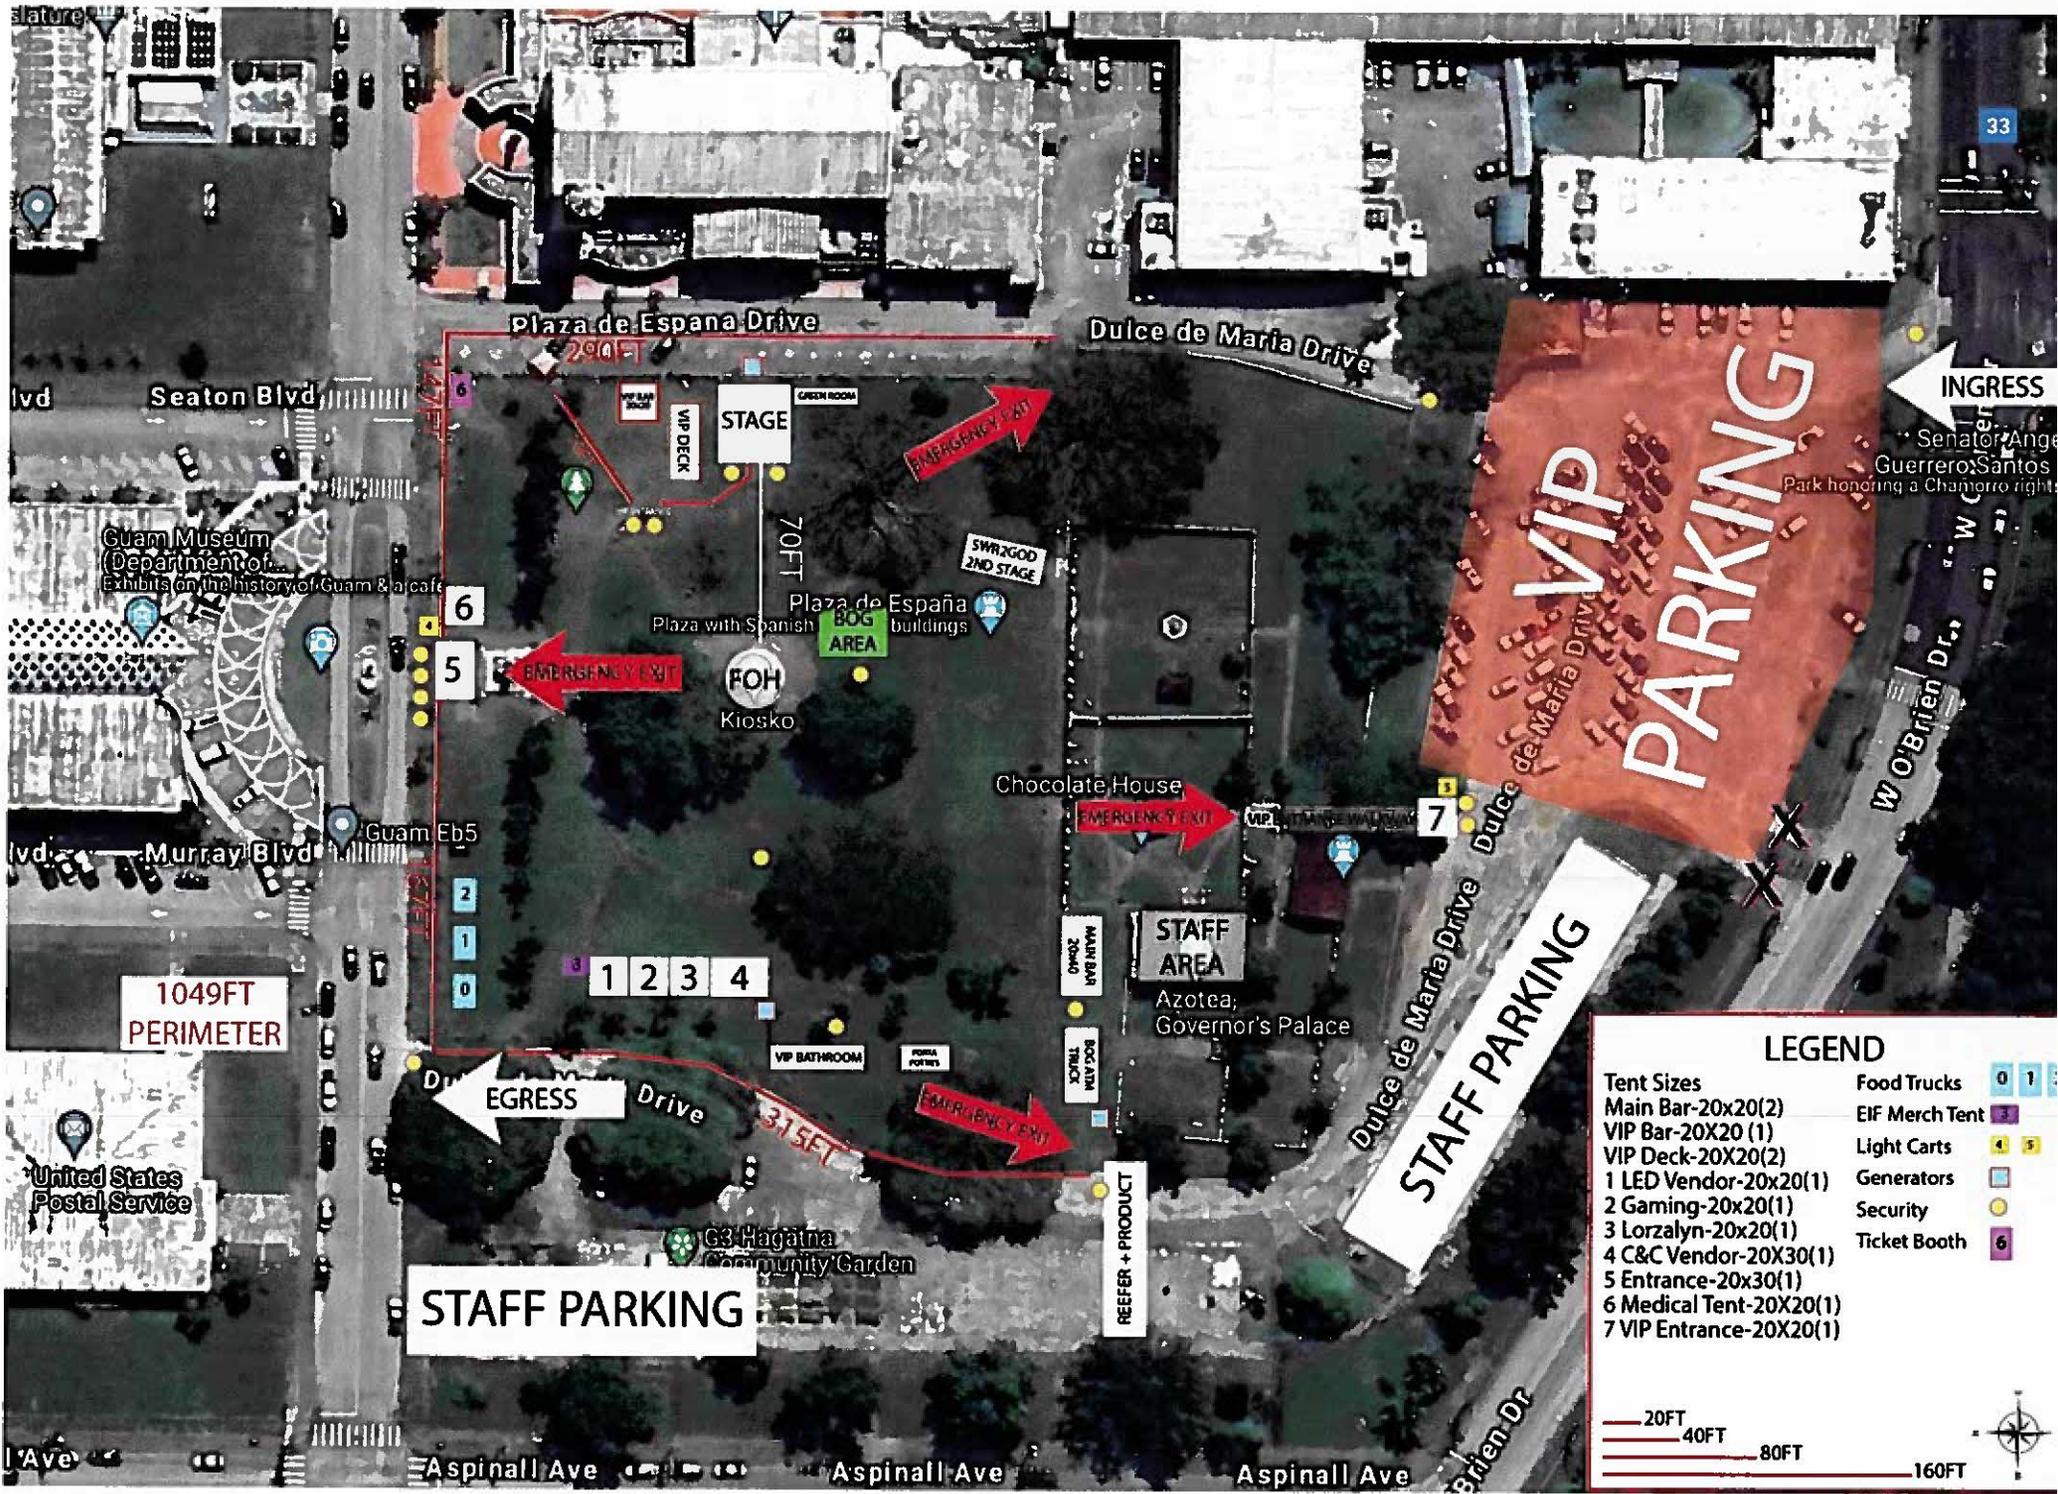

Komisi Sjolo
