

PUBLIC NOTICE

On June 17, 2005, the Department of Revenue and Taxation (DRT) issued approximately one-thousand (1,000) letters to non-compliant tax-exempt organizations requesting to submit their financial statements. On August 10, 2005, a second letter was sent requesting for the same information to approximately eight-hundred (800) that failed to comply with the submission of the financial statements. As of **October 24, 2005**, DRT has identified approximately five-hundred (500) organizations that have notices returned unclaimed or that have received the notices, but have not responded to either of the two notices. In some instances, the organization has not informed DRT of a change in address or DRT does not have record of the dissolution of the organization. This revocation-intended list includes these organizations.

These organizations will be issued via certified mail “Notice to Revoke Gross Receipts Tax Exempt Status”, and be issued via certified mail “Notice of Intent to Revoke Exempt Status” for income tax purposes. These organizations have until November 24, 2005 to appeal the gross receipts and income tax revocation determinations.
